Your two month pledge is critical to help me keep my campaign competitive and on track during these important months.

The Senate Democrats’ campaign committee, led by Chuck Schumer of New York, has built a war chest with tens of millions of dollars to elect Democrats to the Senate. With only 12 Democrat-held Senate seats to defend and 23 Republican seats up for election, they can dump massive amounts of resources into North Carolina to defeat me.

And the Senate Democrats’ money will be backed up by millions of dollars the national Democrats will spend to capture North Carolina’s 15 electoral votes for Barack Obama.

I realize I face a formidable challenge, but we can and will win this fight.

I am more determined than ever that I MUST do everything in my power to remain in the U.S. Senate to fight for the values, principles and policies that made America the envy of the world and that will secure America’s future for the next generation.

But I can’t do it without your continued generous support.

So please, use the two enclosed reply forms and postage-paid envelopes to make a personal pledge to send $25 to my campaign in July and another $25 in August, or if you would rather, simply use one of the envelopes to send the entire $50 two month pledge today.

Even if you can only make a total commitment of $25, please send as much as you can right away to help me continue to build my campaign and the momentum I need to face the fury of a well-funded and aggressive Democrat attack machine this fall.

I so truly appreciate all you have done and continue to do for my campaign for the U.S. Senate. Thank you so much for the privilege of calling you my friend.

With my heartfelt thanks,

Elizabeth Dole
United States Senator

P.S. I need you to make a firm commitment to support my campaign during July and August. The next two months are critical to building my campaign. That’s why I’ve enclosed two special replies and postage-paid envelopes. Please use one of these to send your first pledge of $25 no later than July 15th and then use the other to send another $25 by August 15th. Thank you.
